REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: After further search and consideration for the new limitation placed in claim 9: "applying an etching solution to said conductive material that preferentially etches along the <111> crystallographic direction to determine whether the conductive material is defective"; and, upon consideration of Applicant's remarks, page 5 of the amendment filed 12/21/04, the Examiner concludes that the prior art of record fails to show the claimed steps of the instant invention and, that Applicant's remarks have been persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lynne A. Gurley whose telephone number is 571-272-1670. The examiner can normally be reached on M-F 7:30-4:00.
